
Elizabeth Clark Flirting and Charisma Expert

Elizabeth Clark, the UK's leading Flirting and Charisma Expert.

Elizabeth Clark is the Author of 'Flirting for Dummies' part of the Best Selling '...for Dummies' Series by Wiley, 'Flirt Guru' and

'Single to Settled' Hodder Arnold, 'Book of the week' in You Magazine, also featured on ITV1, BBC 1, Channel 4 and Living TV, a host of radio shows and press articles. Elizabeth is MCIPD and BPS qualified, whilst there are no formal qualifications required to be a 'Flirting and Charisma Expert'; she professes to have a lifetime of practical application behind her! Elizabeth has put flirting and charisma on the corporate agenda as skills to be taken seriously, getting Elizabeth and her 'outstanding results' listed in the 'Essential skills' section of Women Leading - Palgrave Macmillan.

Call 08453 700 155 now to book Elizabeth for your conference or event.

She takes an exclusive and entertaining perspective on previously well travelled topics. An energetic presenter and trainer, she can ignite even the most conservative of audiences. Apprehensive conference organisers please take note, Elizabeth and her clients agree that 'flirting' is not about sex. It's being more skilful in the way we communicate with each other, an intricate blend of body language, appearance, attitude and confidence.

In addition to her corporate work Elizabeth is regularly invited to endorse various campaigns as a 'Flirting Expert', such as 'Sex and the City', Herbal Essences, Gillette, Braun, Impulses 'Tease', etc. For more information on Elizabeth's PR work or to engage her talents to create a unique angle for your products or services see PR endorsement.

In addition to Elizabeth's highly popular Speaking and Training services, she has spent several years hand picking associates that are the most innovative, interesting and sparky Speakers and Trainers, at the forefront of their fields. You can be assured that by booking an event with Rapport that your delegates will be delighted and the results will be impressive.

Our services feature regularly on Radio, TV and national press in the UK and Europe, please visit our press cutting section for a small sample of coverage.
