Advanced presentation skills

An open course with Flirt Guru, Elizabeth Clark. Call 08453 700 155 now!

Early bird discount of £225 and a rare opportunity to participate in a course normally only available in house to our clients. Not only will you have the most entertaining session you will probably ever spend on a training seminar, you will accelerate your presentation skills and boost your confidence to have Maximum Impact.

What will you learn on 'Maximum Impact'?

Advanced presentation skills training

- How to stimulate and master your audience.
- How to have a vibrant style and be able to captivate the attention of everyone in the room easily.
- How to achieve the results you want from your presentations.
- The secret of how to have your audience remember all your key messages long after your presentation.
- Eliminate your own inhibitors to delivering the 'Maximum Impact' presentation.
- How to conquer public speaking nerves
- How to ooze confidence – even when the bottom is falling out of your world
- How you can explain the complexities of your subject (a) in layman’s terms and (b) in a way that retains interest?!
- Platform mechanics – delivering your speech right, regardless the setting. e.g. Mikes, stages, lighting, powerpoint, etc.
- Getting to grips with your Body Language, eliminating detracting body language sins and developing great presence
- Setting the tone, creating impact with your voice.
- How to be the best speaker/presenter at a conference or event
